Navajo County Board of Supervisors  
P.O. Box K  
Holbrook, Arizona 86025

Attention: Mr. Max Taylor, Chairman.

Gentlemen:

In accordance with your request the following proposal to provide a "Comprehensive Sewer Plan and Preliminary Engineering Study for the Lakeside Pinetop Area, Navajo County, Arizona", is hereby submitted.

We propose to perform the following engineering services for Navajo County:

- Free  
Look  
Only  
3/30/72*
- A. To prepare a study and Master Plan for control of the Water Pollution in that portion of the Little Colorado River Watershed around Pinetop, Lakeside, Show Low Lake and Show Low.
    - 1. By establishment of degree of existing pollution and identification of the nature of the pollutants.  
(Approximately 22% of the total effort)
    - 2. By development of a workable plan for collection, storage and treatment of the wastes involved.  
(Approximately 45% of the total effort)
    - 3. By development of a plan for financing necessary construction.  
(Approximately 10% of the total effort)
    - 4. By definition of the need of sanitary districts and the procedure necessary for their establishment.  
(Approximately 10% of the total effort)
  - B. Cooperate and maintain close liaison with the Director of the Arizona Water Pollution Control Division of the State Department of Health, so that this study may be integrated as a part of an overall state plan on water pollution control.  
(Approximately 11% of the total effort)

Navajo County Board of Supervisors

March 28, 1972

We would propose to accomplish the above in a period of one calendar year from the effective date of signing of this contract. Upon completion of the study, fifty ( 50) bound copies of the report will be provided. (Approximately 02% of the total effort)

We agree to perform all of the services outlined for the lump sum of(\$ 46,000 ), Forty-six thousand dollars. Payment will be made on the following basis:

\$12,500 at the end of three months after effective date of this Contract.

\$12,500 at the end of six months after effective date of this Contract.

\$12,500 at the end of nine months after effective date of this Contract.

\$ 2,250 upon submission of the final draft of the Study and Report to the Navajo Board of Supervisors.

\$ 6,250 upon review and acceptance of the Study by the Navajo County Board of Supervisors.

In the event that this Contract should for any reason be terminated before completion of the final study and report, the Engineer will be compensated for work already accomplished on the basis of percent of the study and master plan completed as reflected by monthly progress report submittals to the Board of Supervisors. Documentation of the percentage completion report will be available for verification at our office at any time.

Please indicate your approval and acceptance of this proposal by completing the signature blank below. This proposal constitutes a contract upon signature.

Yours very truly,

HENNINGSON, DURHAM & RICHARDSON, INC. OF ARIZONA.

  
Sam A. Phillips, Vice President.
